

Econolite® Folding Table & Chair Specifications

Plastics

Polyethylene plastic blow molded to a smooth surface with color blended throughout. Formulated for outdoor exposure with minimal fade or thermal stress cracking (indoor storage recommended).

Easy to clean one piece top is hermetically sealed against biological contamination and resists heat and stains. Edge of table is molded to 1 3/4" thickness.

Legs & Frame

Sturdy 16 gauge 1 1/8" diameter steel tubing with 7/8" diameter cross bar and 5/8" diameter central cross bar. Leg brace is 11 gauge 3/4" diameter steel tubing with gravity lock.

Color

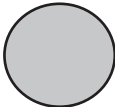

Top in speckled light gray with charcoal powder coat finish legs and black non-marring leg caps.

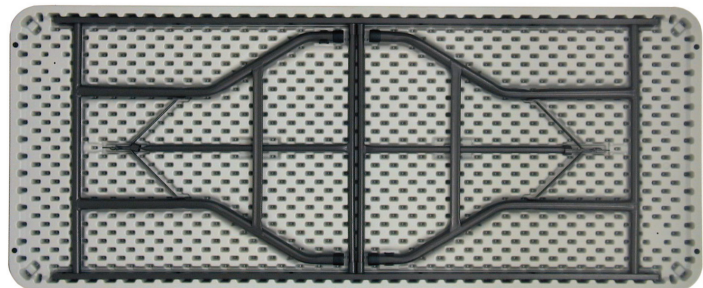

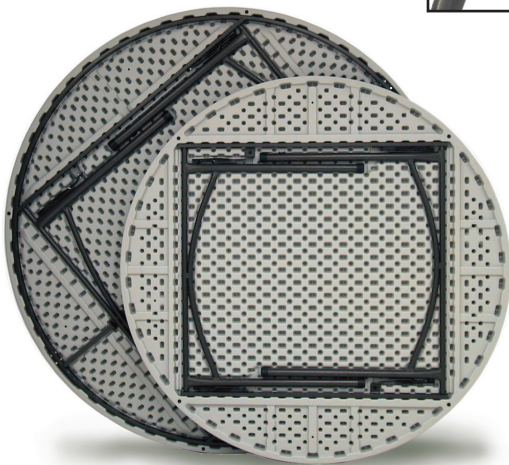

Guarantee

Full 1 year limited warranty against manufacturing defects under normal use. McCourt Manufacturing will repair or replace (at our option) at no charge; customer assumes all freight charges.
